WORK COMMENCEMENT STRUCTURE

Once a quotation has been accepted, signed and returned (via fax or email) and a copy of the terms and conditions are signed and returned the client will need to supply Azure Designs with a filled out brief form (This can either be downloaded from the Azure Designs website or emailed directly to the client) or a detailed written brief sent via email/fax.

- No work will commence without deposit
- No work will commence without a written brief
- No work will commence without client content (for websites, newsletters, brochures/flyers etc, letterheads, business cards).

GRAPHIC DESIGN PROJECTS

Please note that no work will commence on the design project until the deposit, brief and content (where necessary) have been supplied.

Logo Design (excluding packages) – We will design 3 concepts in accordance to the brief supplied by the client. A further 2 revisions will commence on one of the concepts. If the client is still not satisfied then work will continue at Azure Designs' hourly design rate.

Other Graphic Design Projects (excluding packages) - We will design 2 concepts in accordance to the brief supplied by the client. A further 2 revisions will commence on one of the concepts. If the client is still not satisfied then work will continue at Azure Designs' current hourly design rate.

Any changes to the content supplied and already placed into the design will be charged for over and above the quotation at the current hourly design rate.

WEBSITE / ELECTRONIC DESIGN PROJECTS

Please note that no work will commence on the website until the deposit, brief and content have been supplied.

Website Design & other electronic design projects (excluding packages) – After a full brief is received , Azure Designs will design a basic home page template and a content page template. Azure Designs will submit to the client for review. After feedback, 2 revisions will commence on each page. If the client would like further revisions then work will continue at Azure Designs' hourly design rate.

Any changes to the content supplied and already placed into the design will be charged for over and above the quotation at the current hourly design rate.

All website quotations, unless otherwise specified, are based on wordpress template websites and are excluding domain registration and hosting. Azure Designs can assist with the registration and hosting of the website with a third party at an additional cost , but the contract and payments are to be done directly with the third party company.

Search Engine Optimisation – Azure Designs will include the basic search engine optimization such as hidden meta, description and keywords (description and keywords to be supplied), image tags as well as search engine submission to the major search engines, namely Google. We will also load a SEO plugin on the website. Azure Designs cannot guarantee your position on search engines.

Website Statistics – We will include a free invisible website statistics counter and supply you with a user name and password in order for you to view your website statistics whenever you wish. Statistics will include: most popular page, new visitors daily, which country the visitor comes from, keywords used to locate your website and more.

INDEMNITY

The client indemnifies Azure Designs against all liability arising from:

- Any infringement of the intellectual property rights of third parties arising out of the publication thereof on the clients electronic or graphic design projects.
- The publishing of any illegal or unlawful material on the clients electronic or graphic design projects.
- A breach of any of your warranties and of your negligence in respect of content on the clients electronic or graphic design projects.
